Coaches Guide

Inside of this guide you will find a team schedule and a tournament schedule. Your team schedule tells you what time you should arrive for check-in, what time your two games are, and what time your team should go to meet the Tim Horton's owners.

You must arrive 30 minutes before your first game for check-in.

The game time listed on the schedule is the time the game will start. Please arrive to your field 10 minutes before game time for warm-up and to ensure the games start on time. Games must start on time. If your game starts late, for whatever reason, time must be subtracted from your playing time.

Each time slot is 45 minutes, that breaks down to a game with two 15-minute halves, a 5 minute half-time and 10 minutes to transition between games.

After your last game, at the time on your team schedule, please bring your whole team to the check-in area to meet the Tim Hortons owners and get your awards and other goodies.

Only water in a closeable bottle is permitted on the turf. No coffee, sport drinks or any other drinks are permitted.

Please do your best to keep your team together. This is a big facility and there will be lots of children and spectators. It is not hard to lose a child.

All shoes on the turf must be clean and dry. If the weather is inclement your players will need to bring clean running shoes or soccer shoes to use in games.
